

# SAVE THE DATE!

## Juvenile Diabetes Workshop

**Who:** Honolulu Hawaii NAACP and Blacks in Government Pacific Ocean Chapter members, community partners, and friends. Bring your children and invite your friends.

**What:** Learn about Juvenile Diabetes.

**When:** Saturday, March 31, 2018 at 10:00 a.m. – 12:00 a.m.

**Where:** Oahu Veterans Center, 1298 Kukila Street, Honolulu, HI 96818

**Why:** Juvenile Diabetes (Type I Diabetes) is a chronic condition in which the pancreas produces little or no insulin. It typically appears in adolescence. Symptoms include increased thirst, frequent urination, hunger, fatigue, and blurred vision. Treatment aims at maintaining normal blood sugar levels through regular monitoring, insulin therapy, diet, and exercise.

If you are interested in being a speaker or setting up an educational display, please contact the Honolulu Hawaii NAACP Health Chair Jolene Lau at [bigvicepresident@gmail.com](mailto:bigvicepresident@gmail.com). RSVP to [naacphawaii@gmail.com](mailto:naacphawaii@gmail.com) to let us know you will be attending.
